

GEORGE BUSH

April 2005

To All Varsity Scouts Participating in "Operation On Target:"

Congratulations on achieving a landmark goal in your scouting program. Reaching the mountain peak is an exhilarating experience, one you will always remember.

Take with this experience the willingness and determination to work just as hard to achieve every other goal you set. The world is ripe with opportunity for those who work hard, get an education, and play by the rules.

Always do your best. Be a doer and not a critic. If you are fortunate enough to take something out of the system, put something back into it. Give life everything you've got -- don't look for the easy way out. Above all else, be yourself and have fun!

Congratulations again and good luck to each of you in all that lies ahead.

Sincerely,
